## MESSAGE FROM THE DIRECTOR.

Every human has a passion that is the beckoning of his soul. Each soul speaks its own language of passion lies in talent and a teacher or parent can help discover this hidden talent. Here, at Dehradun College of Art we help to discover and nurture some of these talents. I, owe my current status in the field of art to the guidance, mentoring and support of my guru, Mr. Ashwani kumar Prithviwasi. He brought out my true self through my paintings. I am eternally obliged to him for the knowledge imparted. A special mention to my family who encouraged and stood by my side all through. From the Dehradun college of Art, I would like to further give this knowledge to the future budding artist that will explode new colors in this World.
